

Apuseni Experience demonstrated its commitment toward a sustainable ecotourism!

Apuseni Experience complies with the European Ecotourism Labeling Standards.

Apuseni Experience offers standard and tailor-made tourist programmes in the Apuseni region of Romania, while it pays special attention on nature and social impact. The ecotourism programmes cover a wide range of activities: hiking and trekking, caving, biking, nature photography, flora observation, cross country skiing, folk creation camps and nature conservation projects.

Apuseni Experience is located in Oradea, Romania.
